Sir/Madame:

ASSA ABLOY Australia Pty Limited (formerly Lockwood Security Products Pty Limited), submits this Renewed Petition Under 37 C.F.R. § 1.47(b) and Petition Under 37 C.F.R. § 1.183.

Petitioner has previously filed a Petition under 37 C.F.R. § 1.47(b) in support of its rights as owner of the subject patent application. Petitioner has complied with all of the requirements of Rule 37 C.F.R. § 1.47(b), except for that certain part of 37 C.F.R. § 1.47(a)(3) which calls for the citizenship of the inventor.

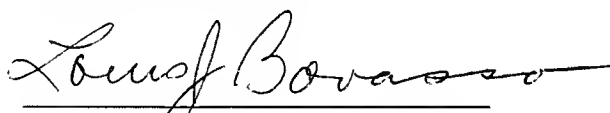

As indicated in the enclosed Declaration of Brad Fitzpatrick, counsel for Petitioner, and in the Exhibits attached to his declaration, extraordinary efforts have been made to both locate inventor and determine his citizenship. These efforts have failed.

Thus, under the provisions of 37 C.F.R. § 1.183, it is respectfully requested that the requirement for the inventor's citizenship be waived. According to 37 C.F.R. § 1.183, in an extraordinary situation, when justice requires, any requirement of 37 C.F.R. regulations, which is not a requirement of the statutes, may be suspended or waived by the Director. Petitioner is the owner of the rights in the subject application and the PCT Legal Examiner in this case has previously ruled that Petitioner has demonstrated a showing that Petitioner has sufficient proprietary interest in the instant application and irreparable damage to Petitioner will occur if the Petition under reconsideration is not granted.

Thus, it is respectfully requested that Petitioner's Petition Under 37 C.F.R. § 1.183 be granted, that the provisions of 37 C.F.R. §1.47(a)(3) be waived, and that this Renewed Petition Under 37 C.F.R. § 1.47(b) be granted.

Authorization is hereby given to charge the one month extension fee required by 37 C.F.R. §1.17(a) to Deposit Account No. 50-2638, along with any fee required for this Petition under 37 C.F.R. §1.183.

Respectfully submitted,

**DECLARATION IN SUPPORT OF RENEWED PETITION UNDER 37 C.F.R. §1.47(b)**

I, Brad Fitzpatrick hereby declare as follows:

1. I am a partner of Phillips Ormonde & Fitzpatrick, an Australian Patent Attorney Firm, of Level 21, 367 Collins Street, Melbourne, Victoria, Australia.
2. I am the partner responsible for the processing of this Application.
3. I refer to the earlier declarations in relation to this Application by Hans Jurgen Esser.
4. When collecting the information for the Esser declarations it was necessary for the records relating to Mark Blackburn's employment with Lockwood Security Products Pty Limited to be reviewed. It is my understanding that during the review of those records the question of Mr Blackburn's citizenship was addressed and that the records do not indicate Mr Blackburn's citizenship. A copy of a letter dated 6 July 2006 from Mr Esser is attached as Exhibit A.
5. I arranged for searches to be conducted of the Australian Electoral Roles for a Mark Blackburn at his last known address of 78 Chaucer Street, St Kilda. That search failed to confirm an enrolment on the Electoral Role for that data. A search report from our private investigator is attached and marked Exhibit B.
6. I have now exhausted all known means of establishing the inventor's citizenship details.

Date: 24 November 2006

**BLACKMORE CLUB**

The Blackmore Club had a most successful Annual Dinner function at the School boatshed on Friday 1st April. It was the largest attendance at this event for a number of years and once the protocol of the AGM was dealt with, a very enjoyable function was had by all on an extremely warm evening. The Club was delighted to welcome the new Headmaster and hear him speak with great pride about the School and express his pleasure on being appointed as the thirteenth Headmaster. We later heard from David Bishop who gave us his traditionally entertaining summary of the state of rowing at the School, speaking with particular pleasure about the fine efforts of the Senior VIII at the National Championships in New South Wales. Knowing the Head of the River results we can now say, with the benefit of hindsight, that David's insights into the School Boat Club were as prescient as ever.
